

ANARCHY

ANCIENT GREEK

anarchia 'without' *arkhi* 'ruler' or 'authority'

- **No ruler or recognised authority**
- **All laws of the land are ignored**
- **No system or evidence of governance**
- **No justice**
- **Unrestrained corruption**
- **A chaotic society that is dangerous and unpredictable**

Anarchy is a state of lawlessness caused by the absence, or non-recognition of traditional forms of authority
